Dear Sir:

Copies are enclosed of additional documents which are relevant to the captioned U.S. patent application, along with an additional PTO form PTO-FB-A820 (PTO-1449) listing the new documents. A copy of the PCT International Search Report is also enclosed.

I hereby certify under 37 C.F.R. 1.97(e)(1) that the items of information contained in this Supplemental Information Disclosure Statement were first cited in any communication from a foreign patent office in a counterpart foreign application not more than three (3) months prior to the filing of this Statement.

The foreign language reference is relevant because it was cited in regard to the foreign counterpart application corresponding to the present U.S. application.

Also enclosed is a copy of U.S. Patent Application Publication 2001/0029247 which is believed to be an English language equivalent to PCT Publication WO 97/45101.

Applicants request that the foregoing be considered by the Examiner in regard to the present application, and that the Examiner initial and return the enclosed form PTO-FB-A820.

Respectfully submitted,
